Crusader Kings II (v3.3.2.0 & ALL DLC) Crusader Kings II PC Game Repack-Games.cc. Crusader Kings II v3.3.2.0 DLC PC - Download Crusader Kings II Holy Fury-CODEX Repack-Games The Dark Ages might be drawing to a close, but Europe is still in turmoil. Petty lords vie against beleaguered kings who struggle to assert control over their fragmented realms. The Pope calls for a Crusade to protect the Christians in the Holy Land even as he refuses to relinquish control over the investiture of bishops and their riches. Now is the time for greatness. Expand your demesne and secure the future of your dynasty. Fill your coffers, appoint vassals, root out traitors and heretics, introduce laws and interact with hundreds of nobles, each with their own agenda. HOW TO INSTALL Download The Game Extract It Using (WinRAR) Run The Game As (Admin) That's It (Enjoy) SYSTEM REQUIREMENTS OS: Windows 7 Processor: Intel® Pentium® IV 2.4 GHz or AMD 3500+ Memory: 4 GB RAM Hard Disk Space: 2 GB Video Card: NVIDIA® GeForce 8800 or ATI Radeon® X1900, 512mb graphics memory required. DirectX®: 9.0c Sound: Direct X-compatible sound card TORRENT - FREE DOWNLOAD - CRACKED Explore one of the defining periods in world history in an experience crafted by the masters of Grand Strategy. Christ may rule in Rome and Constantinople, but Northern Europe is still home to the old gods of war and the hearth. These faiths will collide in fierce combat as the Prince of Peace brings conversion by the sword, and Gods of Nature demand unnatural sacrifices as the price of their favor. Holy Fury is the newest expansion to Crusader Kings II, the celebrated medieval role-playing grand strategy experience from the masters of strategy, Paradox Development Studio. Lean on your war lodge for support in your conquests, bow before the Pope to claim your divine throne or establish a legendary bloodline that will echo through the ages. Crusader Kings II Holy Fury Update v3.2.0-CODEX was published on Friday, 12 March 2021 12:34:50 PM About The Game Christ may rule in Rome and Constantinople, but Northern Europe is still home to the old gods of war and the hearth. These faiths will collide in fierce combat as the Prince of Peace brings conversion by the sword, and Gods of Nature demand unnatural sacrifices as the price of their favor. Holy Fury is the newest expansion to Crusader Kings II, the celebrated medieval role-playing grand strategy experience from the masters of strategy, Paradox Development Studio. Lean on your war lodge for support in your conquests, bow before the Pope to claim your divine throne or establish a legendary bloodline that will echo through the ages. Features in Crusader Kings II: Holy Fury include: Shattered and Random Worlds: Start your game on a fictional map of Europe as a small realm fighting for space, or on a random map with historical analogues for the great kingdoms of yore. Warrior Lodges: Join a Pagan warrior lodge and raid your way up the ranks, unlocking access to powerful allies and greater military skill. Legendary Bloodlines: Descendants of great warrior heroes will have bonuses that match the accomplishments of their forefathers, including historical bloodlines of Charlemagne, Genghis Khan and others.. Sway or Antagonize Your Neighbors: Try to win a reluctant vassal through charm and persuasion, or provoke someone you want to push into conflict. Sainthood: Pious Catholics can become canonized, passing on their glory to their descendants and making their resting place a site of great value. Coronations: Feudal kings and emperors must find clergy to crown them, since all power descends from the heavens. New Crusade Events: Deeper gameplay for the religious wars of the era. New Succession Laws: A Pagan Elder Council may have the final word in how a realm is divided among heirs, or a ruler may challenge his brother to combat to unify a realm. And much more: Changes to religion, custom names for people or objects, deeper baptismal mechanics, lists of people you've killed, and other small changes for flavor and variety.
